MEMORANDUM FOR: Andrew Falkiewicz
A/DCI

FROM : Admiral Turner

SUBJECT : Naval Institute Proceedings Article

1. Attached is a draft article which I submitted a short time ago to the Naval Institute Proceedings for possible publication. I would appreciate your reviewing it personally and discussing it with appropriate other members of the staff as to whether there is any reason I should withdraw it from publication now that I have moved out of the Navy into Central Intelligence.

2. Unless there is some good reason, I would like to go ahead and publish it because I feel it would be of value to the Navy.

STANSFIELD TURNER
Admiral, U. S. Navy
Director of Central Intelligence
